Welcome

Hello.

A big, friendly welcome to Levenshulme Pride 2023.

Every activity at Levenshulme Pride is FREE to attend. No exceptions. Inclusion and opportunity for all in the most diverse district of Manchester.

Since I came up with our tagline of No Barriers in 2017 we have stuck to the principles represented by those words. This means no cost barriers, but it also means no physical barriers and no barriers to being part of Levenshulme Pride. We really are a People's Pride.

Wherever you are from and whoever you are Levenshulme Pride is for everyone. Respect each other and enjoy Levenshulme Pride.

A few years ago we were described as "The weirdest Village Fete I've ever been to", a badge we wear with honour. This year we have 27 venues and locations with a huge range of activities and lots of local groups and businesses involved to celebrate our wonderful community and welcome friends and visitors to the area. A huge thank you to everyone who makes Levenshulme Pride possible.

We started in response to a gay couple who were called "faggots" simply for walking down the A6 holding hands. Six years later and anti-LGBT abuse is on the rise. I've had homophobic abuse screamed at me in the street and our trans friends are under sustained attack. We've even had protests outside a local school against LGBT inclusive teaching but we're still here and have grown to be the biggest free local Pride in Greater Manchester.

On Saturday 12 August we will turn the A6 into the Gay6 once again in an act of celebration, protest, and inclusivity on our march. We are Pride with a Purpose.

Jeremy Hoad
Organiser, Levenshulme Pride
